ShedSafe™ is the Australian Steel Institute (ASI) new industry benchmark accreditation scheme for steel shed design. Dinky Di Sheds is proud to advise you that we are one of only a handful of companies across Australia that have received this accreditation! Our Shed designs underwent rigorous auditing and certification process by the Australian Steel Institute's panel of independent engineers & specialists. Be wary of any brand that is not ShedSafe™ Accredited. If they aren't ShedSafe Accredited, ask WHY NOT?

All prices are for the building kit only and are GST inclusive. All prices are Important Level 1 (isolated farm buildings) unless otherwise stated as IL2. Errors and Omissions accepted. Prices are an average, local site specific conditions may alter engineering requirements. Cyclone prices are a "C2" equivalent.

Dinky Di Sheds & Affordable Homes PL, Toowoomba, ABN 75 164 746 639

Want to compare APPLES with APPLES?

- Our Open-Bay sheds are designed to face all cardinal wind directions!
- Dinky Di Designs are ShedSafe Accredited for your peace of mind
- All Sheds are made to order - 1mm increments available
- Full documentation for Council Approval if required

3 SIDED OPEN FRONT FARM SHEDS

All farm sheds are made from high tensile Blue-Scope Steel and our designs have been independently accredited by the Australian Steel Institute for your assurance. All our staff have completed ShedSafe™ training meaning that you can be assured of purchasing the correct rated design for your application.
